

## 2016 Polar Bear Blat

# Booking Information

During this Blat you will drive through some of the world's most stunning scenery and see some of the planet's most amazing wild-life, and what better car to do it in than a 7?

As you can appreciate, the logistics of organizing such an event is huge. Our goal in putting this together was to make it fun, cost effective and flexible. The accommodation issue was always going to be the biggest challenge, but I believe the strategy we have adopted has simplified what could have been a complex nightmare. We believe that YOU will have an unforgettable holiday.

One of the things that I learnt from doing the 2013 Grizzle Bear Blat is "don't over organize" that being said, due to the vast distances we will be traveling, (*see route documents*) it's imperative that we have some structure in place in order to provide a safe environment for those involved. Many of the folks who participated in the GBB did their own thing during the day, yet most of us were keen to meet up in the evening for supper and a few cold ones.

The Blat will start at the Delta Town & Country Inn, located just outside Vancouver. We ask that all participants arrive no later than mid-afternoon on TBA. The Delta has a huge parking lot where you can leave your tow vehicle for the duration of the trip. We have a private room booked for 6.30pm for our evening meal where Tom & I will go over the route and answer any questions that arise.

On the GBB we provided two covered car haulers as back-up vehicles, one for spares, equipment and as a recovery trailer for breakdowns (which we will bring again) and a second one for our personal luggage. This time however only one back up vehicle will be in attendance which will once again be able to carry people's luggage and spares.

Registration opens on the 1<sup>st</sup> January 2015 and closes on the 1<sup>st</sup> January 2016.

**If you are already committed to coming, PLEASE BOOK YOUR FERRY ASAP.**
